

GREAT PLAINS OILFIELD RENTAL, L.L.C. RENTAL AND SERVICE AGREEMENT¹

1.0 AGREEMENT

1.1 Any Work by Contractor will be provided at the request of Operator, according to this Rental and Service Agreement (this "Agreement") which Contractor and Operator agree to be controlling. This Agreement is effective upon the earlier of: (i) the execution by Operator or (ii) the date Contractor first performs Work for Operator. This Agreement does not obligate Operator to order Work from Contractor nor does it obligate Contractor to accept such Work.

1.2 This Agreement shall remain in effect until terminated by giving the other party ten (10) days written notice; provided, however, that this Agreement will govern any Work to be performed or Work in progress at the time of termination, and such termination shall not affect any rights or obligations, which expressly or by their nature survive termination, including without limitation, payment obligations and obligations set forth in Sections 5.0 and 6.0 herein.

2.0 DEFINITIONS

2.1 "Operator Group" means Operator, its parent, subsidiaries and affiliates, its and their contractors and subcontractors of any tier (other than Contractor and members of Contractor Group), all and any owners and other operators, Operator's joint venturers, co-lessees, non-operating working interest owners, and its and their respective affiliates, officers, members, managers, directors, employees and invitees.

2.2 "Contractor Group" means Contractor, its parent, subsidiaries and affiliates, its and their contractors and subcontractors of any tier, and its and their respective affiliates, officers, members, managers, directors, employees and invitees.

2.3 "Work" means all products, equipment, tools, materials and services furnished by Contractor under this Agreement, accepted bids and proposals, any work order and approved work ticket. Unless agreed to by the parties in writing, the Work does not include any professional, consulting or engineering services.

2.4 "REGARDLESS OF FAULT" MEANS WITHOUT LIMIT AND WITHOUT REGARD TO THE CAUSE OR CAUSES, THEREOF, OF ANY CLAIM, INCLUDING WITHOUT LIMITATION, THE NEGLIGENCE (WHETHER SOLE, JOINT, CONCURRENT, COMPARATIVE, CONTRIBUTORY, ACTIVE, PASSIVE, GROSS, OR OTHERWISE), STRICT LIABILITY, PREMISES LIABILITY, PRODUCT LIABILITY, MISREPRESENTATION, FRAUD, WILLFUL MISCONDUCT, BREACH OF CONTRACT, BREACH OF WARRANTY, VIOLATION OF STATUTE, OR OTHER FAULT OF ANY PARTY INCLUDING ANY MEMBER OF THE RELEASED OR INDEMNIFIED PARTY, AND WHETHER OR NOT CAUSED BY A PRE-EXISTING OR DEFECTIVE CONDITION OF A PARTY'S EQUIPMENT, OR MATERIALS, INCLUDING BUT NOT LIMITED TO FLUIDS, ADDITIVES, CEMENT, CHEMICALS, PROPPANTS OR OTHER PRODUCTS USED BY CONTRACTOR IN THE PERFORMANCE OF THE WORK.

3.0 PAYMENT FOR WORK

Unless otherwise agreed by Contractor and Operator in writing, Contractor's then-current price book prices and applicable taxes will be applied to all Work performed under this Agreement. If it becomes necessary for Contractor to sub-rent equipment from third parties at a higher rate than Contractor's then-current price book prices, Operator shall pay such third party's published rate, plus additional costs and charges incurred by Contractor as a result of such third party equipment. Contractor will keep adequate records of transactions and costs for a period of two years after completion of the Work. With respect to Contractor's rental equipment, rental charges commence when such rental equipment leaves Contractor's location and continue until such rental equipment is returned to Contractor's location and is accepted by an authorized Contractor representative. Unless an alternative term of payment is provided in the applicable work order or field ticket, all invoices submitted to Operator are payable within 60 days of receipt, irrespective of any claims, demands, set offs, defenses, actions, suits or proceedings that Operator may have against Contractor or any third party. Contractor shall endeavor to comply with Operator's internal field ticket validation or other accounts payable procedures; provided, however, Contractor's inability to obtain signatures on field tickets shall not permit Operator to withhold payment with respect to such field tickets. In the event Operator disputes any amount in good faith, it shall notify Contractor of such dispute within 30 days of receipt of the invoice and shall pay any undisputed amount of the invoice within 60 days of receipt. Any sums (including amounts ultimately paid with respect to a disputed invoice) not paid within the above specified days shall bear interest at the rate of 1.5% or the maximum legal rate, whichever is less, per month from the due date until paid. In the event that Operator fails to pay an invoice when due, or Operator is otherwise in default hereunder, Contractor may terminate any outstanding Work upon notice to Operator and, in addition, shall have all available remedies to collect amounts due hereunder. Operator agrees that if it receives any communication requesting a change to payment remittance instructions, Operator will not make such change unless Operator has verified the change by telephone with Operator's normal Contractor contact or other authorized Contractor representative. Failure by Operator to comply with the foregoing obligation shall in no way relieve Operator of any of its payment obligations to Contractor hereunder.

4.0 PERFORMANCE OF THE WORK AND OPERATOR RESPONSIBILITIES

4.1 All Work shall be performed in a good and workmanlike manner in conformity with this Agreement and in accordance with good oilfield practices. CONTRACTOR MAKES NO WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Except as expressly provided otherwise herein, as Operator's exclusive remedy for Contractor's failure to perform, Contractor shall re-perform the Work, but only so long as Operator has notified Contractor in writing of a performance deficiency within 30 days after completion of the Work. With respect to Contractor's rental equipment, if such equipment fails to operate in accordance with the specifications set forth in the applicable work order or is otherwise inoperable, and such failure or inoperability is not a result of Operator Group's abuse, misuse or neglect, then as Operator's exclusive remedy and Contractor's sole obligation, Contractor shall promptly repair or replace such equipment at Contractor's expense and Contractor shall waive all rental payments during the period of such nonconformance.

Additionally, Operator shall carry and maintain All Risk property insurance covering loss of or damage to Contractor's rental equipment while in Operator Group's care or control, with a limit not less than the full replacement value of such equipment.

6.2 To the extent of the risks and liabilities expressly assumed under this Agreement, each party shall cause its insurers: (i) to waive all rights of subrogation against the other party and its Group and their respective underwriters and insurers and (ii) to name the other party as an additional insured (except for Workers Compensation coverage). Any judicial proceeding brought hereunder shall be brought exclusively in a state or federal court located in Harris County, Texas. Operator and Contractor hereby consent to the jurisdiction of such court and waive any defense or objection to such jurisdiction or venue.

8. FORCE MAJEURE

10. ADDITIONAL RENTAL EQUIPMENT TERMS

Operator agrees to inspect Contractor's rental equipment prior to taking possession thereof. Operator's acceptance of such rental equipment shall serve as Operator's acknowledgment that the rental equipment was delivered in good condition and is suitable for Operator's needs. Operator agrees that Contractor's rental equipment shall be used only by individuals qualified and licensed (if applicable) to use the such equipment and all such use shall be for lawful purposes and in a lawful manner. Unless expressly assumed in writing by Contractor, preventative maintenance as instructed by the operating manual for the rental equipment shall be the responsibility of Operator. Operator agrees to provide Contractor access to Contractor's rental equipment at all reasonable times for the purposes of inspection. If Operator breaches this Agreement or if Operator becomes insolvent, bankrupt or its financial responsibility becomes impaired (in Contractor's sole discretion), or if the Contractor's rental equipment or any part thereof becomes misused, abused, illegally used, or if Contractor (in Contractor's sole discretion) deems Contractor's rental equipment insecure or neglected, Contractor may, at its option and without legal proceedings, enter any premises where such rental equipment may be and take possession thereof without being liable to any suit or action or proceeding by Operator. Contractor's retaking possession of such rental equipment or the termination of this Agreement shall be without prejudice to any right to claim for arrears of rental charges, or for costs and damages incurred by Contractor in the repossession, repair, or cleaning of the such rental equipment, as well as the disposal of the contents therein. Operator shall not assign this Agreement nor sub-rent or otherwise loan Contractor's rental equipment without Contractor's written consent. Notwithstanding any permitted assignment or sub-rental, Operator shall remain primarily responsible for its obligations under this Agreement.

11. GENERAL

11.1 As allowed by the Louisiana Workers' Compensation Act, Operator shall be considered the statutory employer of all employees of Contractor, Contractor's subcontractors or agents; provided, however, services performed by Contractor, Contractor's subcontractors or agents for Operator are an integral part of or essential to Operator's ability to perform its operations as an oil and gas operator.

11.2 This Agreement constitutes the parties' entire agreement with respect to the subject matter hereof. All prior negotiations, representations, understandings and agreements concerning this Agreement, the Work and its subject matter are superseded by this Agreement. This Agreement shall prevail in the event of a conflict with the terms, conditions, or requirements of any work orders, proposals, bid documents, purchase orders, or other agreements, oral or written, entered into between the parties. No amendment or modification of this Agreement shall be effective unless in writing and signed by an authorized representative of Operator and Contractor.

11.3 This Agreement may be executed in multiple counterparts, each of which shall, for all purposes, be deemed an original but which together shall constitute one and the same instrument. This Agreement may be electronically signed. The parties agree that any electronic signatures appearing on this Agreement are the same as handwritten signatures for the purposes of validity, enforceability and admissibility.

11.4 In signing this Agreement, Contractor and Operator expressly acknowledge that they are aware of their right to obtain legal counsel to review this Agreement. Furthermore, Contractor and Operator expressly acknowledge that they have read and understand all of the provisions herein contained, including the indemnity provisions, and agree to all such provisions.
